

**Yellow warning
Rain**

Between
00:00 Sun 20 Feb 2022 and
18:00 Sun 20 Feb 2022

**Heavy rain expected to lead to some disruption on Sunday.****What to expect**

- Flooding of a few homes and businesses is likely
- Spray and flooding on roads probably making journey times longer

Further details

A band of heavy rain will affect parts of northwest England on Sunday, and become slow-moving for a time, with some very heavy rain, especially over high ground. The duration and intensity of the rainfall could bring widespread totals of 20 to 40 mm, but some exposed sites may see 75 to 100 mm on Sunday - however - this will fall on to already-saturated ground. The rain should clear south by Sunday evening.

✓ Medium likelihood of low impacts
